School Report

Report of the Superintendent of Schools

To the School Board,
Gentlemen;

In making my first annual report as Superintendent of the Brookfield schools, I wish to congratulate this, the smallest town in the Supervisory District, in having attained a standard far above any other of which I know, in its single small rural school, -- the Churchill School.

Like a happy family, clean, healthy and well cared for, the children of the Churchill school are fortunate children. Their school life is happy, full of earnest work and wholesome recreation. Brookfield citizens who do not know their school, should consider it a duty and a pleasure to get acquainted. We have every right to be proud of this little school, where instruction and character training go hand in hand, under the direction of Mrs. Eva C. Willey, the school's faithful teacher.

The enrolment last year was fifteen pupils. The per cent of attendance was 98, an exceedingly high mark.

THE ROLL OF HONOR

Perfect attendance for the full year.

Edith Cate, Roberta Cate, Frank Dodier, William Eschmann.

Respectfully submitted,

J. E. WIGNOT,

Superintendent of Schools.

This school has been very fortunate in having so very little illness. One child was sent to the Shriner's Childrens Hospital at Springfield, Mass. for treatment for deformity of left foot. This was made possible through the cooperation of Shriners.

Hot lunches are served every noon. This has been made possible through the cooperation of parents and friends interested in our school having contributed food and money. This is under the direction of Mrs. Willey.

Respectfully submitted,

MAUDE McBRIDE.
